Heidi and Scott Smith
The Garrett B. Smith Foundation
3 Pickwick Plaza
c/o Camelot Capital
Greenwich, CT 06830

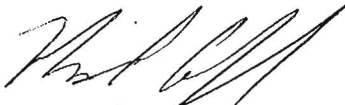

Dear Heidi and Scott:

It is my honor to congratulate you on The Garrett B. Smith Foundation's Fourteenth Annual Golf Outing. Your efforts and those of your supporters have had a profound impact on Yale-New Haven Children's Hospital. We are very proud to celebrate with you today, and to remember Garrett, in whose loving memory the Big Apple Clown Care Unit has been made possible at the Children's Hospital. Please accept our deepest gratitude for this beautiful gift.

Since the Big Apple Clown Care Unit program began, the power of the Clown's magical presence has lightened the emotional loads for patients, families and staff in the patient rooms, playrooms, our clinics and waiting areas. Your gift has infused the role of laughter into the healing process. The Clowns are an integral part of the service we provide our patients, and we cannot imagine what the Children's Hospital would be like without the precious moments of play, fun, hope, and healing that the Clowns inspire.

On behalf of the doctors, nurses, staff and administration of the Children's Hospital and all of the children and families whose spirits have been lifted by the Clowns, I thank you once again for your vision and generosity. We are your proud partners in honoring the memory of your son Garrett through the vital presence of the *Clown Care Unit* at Yale-New Haven Children's Hospital.

With the warmest sincerity,

Michael Apkon, MD, PhD
Vice President and Executive Director
